From

Vijayendra Kumar, IAS  
Secretary to Govt. Haryana  
Electronics and Information Technology Department, Haryana  
& Project Director, State Resident Database(SRDB)  
Chandigarh

To

All the Deputy Commissioners in the State of Haryana

Memo No.:SIT:PD-SRDB/2017/ 4605

Dated: 09-03-2017

**Subject: Implementation of State Resident Database (SRDB) - regarding**

2. As you are already aware the State of Haryana has conceptualized, developed and operationalise the One State integration framework for delivery of citizen services which is based on a technology neutral architecture for multiple/diverse IT systems to work together for delivery of citizen services. A State Resident Database (SRDB) has been created under this framework which acts as a single, unified source of state resident data which enables the various IT systems to realize the futuristic service delivery model. Currently more than 30 services of various departments have been integrated and are interacting live with the SRDB. SRDB envisages a paradigm shift in the delivery of citizen services from demand based service delivery to supply based delivery of citizen services.

3. Our State intends to conduct an Aadhaar enabled eKYC survey called as the Jan Seva Survey (JSS). The survey is expected to start from April 2017 onwards. This Jan Seva Survey (JSS) is to be conducted in all the districts in the state and it becomes very important for the district administration to collaboratively work to ensure its success.

4. Considering the importance for effectively implementing the SRDB in the state, you are requested to immediately perform the following activities under your district:

- Finalize the list of Staff (Group - B/C) that is being deputed/allocated as enumerators for carrying out the Jan Seva Survey (JSS).
- Select enumerator and supervisors as was done during Census data updating exercise from the list attached.
- Intimate the final list of staff to the O/o Project Director -SRDB positively by 15<sup>th</sup> March, 2017 for planning & scheduling of the training programs of the designated staff.

I solicit your kind support for this strategic initiative for Haryana that is being enabled by the Electronics & IT Department, Haryana.

(Vijayendra Kumar)
